

# King's High School

## Building Men for Life

### The International Department -

- Creates the opportunity
- Realizes the potential
- Achieves the success

### At King's High School -

- Many subjects to choose from
- Learning English with native speakers
- Small classes
- Preparation for university or polytech
- **Academic knowledge in practical and theory-based lessons**
- An ethos of respect and responsibility
- Language skills and ability are assessed on arrival
- An individual programme is designed to meet needs.
- Students are prepared for New Zealand qualifications as well as IELTS.

### Student Life -

- Many sports offered - all coached by staff of King's High School. During the winter, ski camps are available
- Cultural activities include bands, orchestra, chess, choir.

### Care is the key word

- Our Homestay co-ordinator acts as a welfare officer in conjunction with the Director.
- Guidance and Careers staff provide vital information to assist in subject choice, career information, tertiary education and training courses.
- All International students enrolled at King's High School will live with an approved caregiver.
- Students will be met at the airport by our staff and their host family.
- Parents receive regular reports from school and also about their son's integration into the host family.

Current fees and associated costs are available on the website [www.kingshigh.school.nz](http://www.kingshigh.school.nz)
