

TAIERI COLLEGE

“Transforming Students’ Lives”

A Year 7-13 co-educational High School, Mosgiel, Dunedin, New Zealand

Taieri College is a co-educational state school with 1020 students from Year 7-13. Education has been on this site since 1871.

The College is committed to delivering a challenging educational experience that will transform students’ lives in a community centred school. We share with the whole community the important role of developing our young people by teaching respect, honesty, responsibility, perseverance and diversity on the “Pathway to Personal Excellence”.

Our NCEA results are above the national average. The College offers a full range of programmes from academic to vocation. We also offer excellent sporting and cultural activities. Taieri College celebrates cultural diversity.
