School grounds

Uniform

International breakfast

Rafting

Taieri College is a co-educational state school with 1020 students from Year 7-13. The College is committed to delivering a challenging educational experience that will transform students’ lives in a community centred school. We share with the whole community the important role of developing our young people by teaching respect, honesty, responsibility, perseverance and diversity.

Taieri College provides a quality, safe and supportive semi-rural experience with excellent facilities set in spacious park like grounds first established in 1885. Our highly qualified staff ensures high achievement in academic, cultural and sporting areas nationally and internationally. We deliver a challenging educational experience in a well resourced community setting.

Alison North

Director of International Students
ESOL Head of Department
