

# Tokomairiro High School

## Milton, South Otago – New Zealand

Tokomairiro High School is a school for boys and girls from year 7 to year 13. We are a school with a very friendly atmosphere, small class sizes for individual attention and excellent, dedicated teachers.

Tokomairiro has excellent classroom facilities, extensive playing fields, a full size gymnasium and is beside a heated pool in the summer months.

Tokomairiro High School is located in Milton, only 40 minutes south of Dunedin city. Milton is surrounded by rolling green hills, farmland and forestry and is a very safe community. Being a smaller town, means you can usually walk to school, as well as the local shops for ice cream!

We welcome you to share in the special experience of attending Tokomairiro High School.

Mary Hart  
*BA, Dip Tchg, TTC, CELTA*  
*Head of International Department*
